Dear Parents and Guardians of Students in 3<sup>rd</sup> through 8<sup>th</sup> Grades,

In March and late spring students in grades 3<sup>rd</sup> through 8<sup>th</sup> grades will be participating in the PARCC (Partnership for the Assessment of Readiness for College and Careers) assessment. We appreciate your investment in your child's education and want to share with you some information about state PARCC assessment. We would like to invite you to attend the following session to learn more and help your child be successful on PARCC:

**"IT'S TIME FOR A WALK IN THE PARCC"**  
PARENT INFORMATIONAL  
**Kellar Middle School**  
**14123 Lydia**  
**Robbins, Illinois 60472**  
**5:00 p.m. - 6:00 p.m.**  
**Wednesday, March 22, 2017**

Assessments help improve standards, curriculum, and instruction at the classroom, school, district and state levels. Assessments also play a role in helping ISBE and school districts identify areas where schools need specific support. We are confident that coming together as a community will improve our preparation for PARCC. We look forward to using the results to improve upon the quality of instruction that takes place every day in Posen-Robbins School District 143½.

If you have any questions, please feel free to contact your child's teacher or principal. Hope to see you at the informational!

Sincerely,

Dr. Tracy Olawumi  
*Assistant Superintendent of Curriculum and Instruction*
